¹The words of the Lolicon, servant of Illysviel Von Einzbern to the sons of man chosen to be called weebes and otakus. ²In all thy doings, hear ye of my reproof, hear ye my words for they are truth. For they shall keep thee in the path of culture. ³Harken not to the words of the normies, for they lack the understanding of the words of Kami. ⁴Vain is he who mocks the culture, worthless is she who mocks the culture. For the culture is Kami and Kami is the culture. ⁵In all thou doest, forget not the teachings of the light novel, the doujinshis, the anime, the manga and the manhua. ⁶for men seek this truth and many won't find it but ye have and are blessed.

Latom

²For men seek pleasure in vainous things, seeking happiness from fleeting moments with others. ²But ye have anime, manga, manhua, Light Novels and doujinshi the five greatest gifts from kami ³Why do ye then say 'This is not enough', 'I am lonely and need love?

⁴I bid thee to refrain from such words for thine waifu and husbando exists for even if men see them not, ye who are called to be otakus shall forever bare their witness. Latom

³Worry not if thine kinsman whom ye thought was a lass revealeth himself as a lad.

²For verily verily I say unto thee, if he looks like a girl, thou aren't gay.

³Lo, I say unto thee, for were a hole is, there shall be a way.

⁴Cursed is he who slanders another man's favorite anime, manga, Light Novel, manhua or taste in doujinshi. ²For when ye were called as weebes and otakus, Kami showed you thine path which was most suitable for thee. ³if thine brethren enjoys Lolis and shotas call them not pedophiles. If they enjoy yuri, yaoi or futanari, call them not the gay. ⁴for verily verily I say unto thee, unto each man his taste shall speak for him or her. Love them despite their taste, defend them from other ignorant otakus or normies. Only then shall ye be called sons and daughters of Kami

5 If thine brother request sauce from thee, turn him not away for ye know not if he shall be a man of culture. ² For blessed are the sauce givers; for theirs are the waifus and husbandos of the world. ³ But if thou refuseth thine brother the sauce, thou shalt not be issekaid. ⁴ Lo, thou shalt burn in the everlasting flames of Amaterasu. Latom

6 There was a man named Gil, son of Zeke, who sought after the great Lolicon sensei. He came unto bearing the holy codes whilst seeking my counsel ² He saith unto me, 'Sensei I am ashamed to speak of my belief of Kami's works unto the normies, for I fear they may see me as an eyesore.' ³ And I said unto him, 'Worry not, Son of Zeke, for Kami sees all thine affliction. Be ye not ashamed to speak the truth of Kami unto the normies. For if thou art condemned, the reward is sure. ⁴ Also take caution when ye tell them of Kami's works for Maou had hardened their heart not to receive the truth which ye have. Pray ye therefore that the light of Kami be shone in unto them. Dorime

7 I witnessed a sight which I deemed unholy to Kami and man, for one of my brethren, a follower of Kami's counsel, observing an anime in dubbed. ² Out of fury, I rebuked him and addressed him as a heathen in the name of Kami. For I believed true followers of Kami would only observe in sub. ³ But Lo, I was caught in a genjutsu and Illyasviel Von Einzbern, the messenger of Kami unto the Lolicons, appeared unto me. ⁴ 'Fear not Lolicon,' she said, 'For I bare thee a message from Kami.' And I being unable to fathom the depth of her Kawairashi-sa, fell upon my knees. ⁵ She said unto me, 'Be not a judge unto thine brethren for thou art still a ningen working towards sagehood. ⁶ For Kami had revealeth his truth to all his followers be they watchers of the dub or the sub. Thou shouldest eschew judging the dubbbers. For ye art still sons of Kami'. Latom

8 And it came to pass in the days of the plague while I sojourned at my father's house, I discovered an argument between three of my brethren ² For they argued about what size of a waifus bossom was the best. ³ And I being a follower of Illysviel Von Einzbern was also at a loss. However, I recalled the words of Kami unto us, ⁴ 'For flat is justice, medium is premium and Big oppai is wholesome. Know ye therefore, as long as ye be different, thine tastes shall always be the best amongst thine brethren' Latom.

9 ¹ Brethren know ye that when ye fap, ye feed thine seeds unto the succubus onee-san. Therefore, Pray unto Kami, for the safety of thine seed. ² pray ye therefore in this manner, 'Kami oh kami, bless mine hands, ensure my manhood remains unchaffed, unto thine holy sauce i commit my seeds' ³ Know ye therefore that in all thine doings, Kami observes all. ⁴ Unto the sisters of the faith, pray ye in like manner, 'Kami who seest all, guide mine fingers unto my most pleasurable of spots, unto thy works I orgasm' Latom

10 ¹ Without order, they will shall be chaos, without woes what is there therefore the need for blessings? ² For verily, I say unto thee there are indeed the great woes unto those who have decided to follow the path of the otaku ³ Woe unto he who calls anime childish, for he who says so has not watched Yamishiba, ⁴ woe unto he mocks the holy codes, for the disasters of 177013 may befall him ⁵ woe unto he who says 'can he beat Goku though?' when he looseth a battle for thou art a noob ⁶ woe unto he who refuseth his brother the sauce, for he shall lack it unto eternity. ⁷ If I were to write all the woes shown unto me by kami, these pages shan't contain. Know ye therefore the truth and live.

¹ Hear, my brethren, for Kami thine Kami has spoken. For the concept of the best anime doest not exist. ² When ye say "This is the greatest anime of all time" ask thine self, hast thou seen all of anime under Kami's creation? ³ Finally brethren be ye steadfast, for a time may come when ye shall speak of thine belief unto the normies and when that time comes, lose ye not thine way, daijobu for Kami shall strengthen thee. ⁴ Speak therefore as he gives the utterance, resist the temptation to sound obnoxious be ye humble and still. Recommend only wholesome anime. suggest ye not Boku no pico.

12

¹ May the blessings of Kami be unto thee. Unless ye desire it, NTR shall not be thine portion. ² For sure, the culture shall be with thee, thine guiding light, and hope when all seems lost. ³ Forget not my words child, may the words of the animedus be thine daily bread. Feed your soul until thou attaineth Sagehood ⁴ Keep the 11th month holy and fap not and the 1st day of the 12th month thou shalt become the sage of six paths. ⁵ The words of the Lolicon, servant of Illyasviel Von Einzbern unto you the followers of Kami. May her blessings be upon you Latom, Ameno, Dorime.

"I am the code of my phone. Moist are
my hands and warm is my dick. I have fapped
over a hundred codes, Unknown to
Death, Nor known to Life. Have
withstood blueballs to hone my pull out game.

Yet these Hands will never find true
love. So, as I Pray-- unlimited Fap
Works"
